## DOG OF THE MONTH

This is our one-year-old Border Terrier, Rusty. She is our little salty sea dog, and often found with us on our rib out on the Solent, just outside Lymington and Keyhaven in Hampshire.

## DOG-FRIENDLY PLACE TO STAY

### Beach Cottage, Anderby Creek, Lincolnshire

Right on the sand dunes overlooking the shore at Anderby Creek, Beach Cottage is a gem of a retreat for a couple. Selected by Sawday's as a Special Place, it sleeps two (but has two bunks downstairs if needed), has a wood-burner, a freestanding bath, and, best of all, you're welcome to bring your dog. Adjacent to the un-spoilt Lincolnshire Coastal Park, with its abundant birdlife, wildlife and flora, this 'get away from it all' spot offers an ever-changing seascape to enjoy whatever the weather.

**WHAT DOES IT COST?**  
From £400 for a weekend up to £800 for a full week.

**HOW DO I BOOK?** Call 07799 144806 or see [thorganbyhall.co.uk/properties/beach-cottage](http://thorganbyhall.co.uk/properties/beach-cottage).
